Dear Ms. Dortch:

On July 23, 2002, Covad Communications Company (Covad) filed the attached letter with the Enforcement Bureau requesting its assistance in resolving an active dispute with Verizon regarding its ongoing refusal to provide Covad with non-discriminatory access to the DS-1 capable loop UNE. Because Covad's allegations of Verizon's discriminatory provisioning of UNE DS-1 loops touches upon issues raised by the Commission in its *Triennial Review* proceeding,<sup>1</sup> Covad herewith submits this correspondence to the Enforcement Bureau in the above-referenced dockets.
